
Local Playgrounds

Trying to take advantage of whatever good weather is left but being unfamiliar with the area, we live in Marshfield - any suggestions for local playgrounds would appeal to a 4 & 7 yr old?

And are the playgrounds on school grounds ok to take the kids to when school is out?

There is a great playground at the Duxbury library and its closed in which is a big bonus! Most schools don't mind if you use the playgrounds after school hours
