
Playdate in Plymouth

Hi - I was looking to meet any other Moms with 4 year olds who would like to go to the playground on any of these nice days ahead of us! I have a 4 yr old boy who loves to play with other kids and we live in an older established neighborhood so finding kids his age is hard. We usually go to FOrges Field every Wednesday at 10:30 or so - hope to see some of you all!
